

June 22, 2005
Monthly Meeting
Canine CPR and First Aid Clinic - Chris Bell's House

From I-270 - Exit at the Tuttle Blvd Exit (one exit south of Dublin/Marysville, or one exit north of Mill run Hilliard/Up Arlington exit). Turn west off the exit (away from the mall). At the next traffic light, turn right/north onto Emerald Parkway (Shell Gas station on corner). Turn left/west at the intersection of Rings Rd. The USPS is on your right. No traffic light. (If you arrive at the traffic light at Woerner Temple/Rings, you will have to turn around and come back. Wilcox is cul-de-sac in about 5 places so you can only get to my road by using the part of Rings Rd that runs between Avery and Emerald Parkway.) Proceed on Rings Rd & at the second traffic circle, go south onto Wilcox Rd. Our driveway is the second from the end of the cul-de-sac on the right -5585 Wilcox Rd. We have a long drive lined with pine trees and live in a log home. Phone number is 889-5871.
